Carson's Exodus

Another loss for Nepo and his family.
We will take another look at the past of
Lily and her brothers.

Thank you Bo. Seeing as you and Brayden have had some sleep, can you keep watch on the wall?

Of course, is he well? I know that he hit his head very hard.

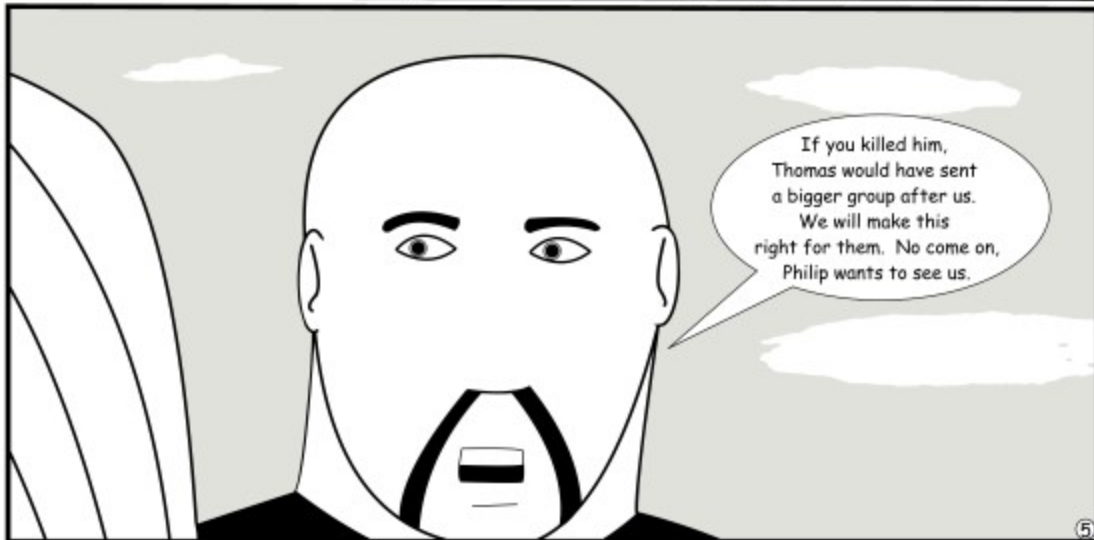

I think he will be fine. He should work as he refuses to rest.

Douglas is trying to get rid of me. I am feeling better.

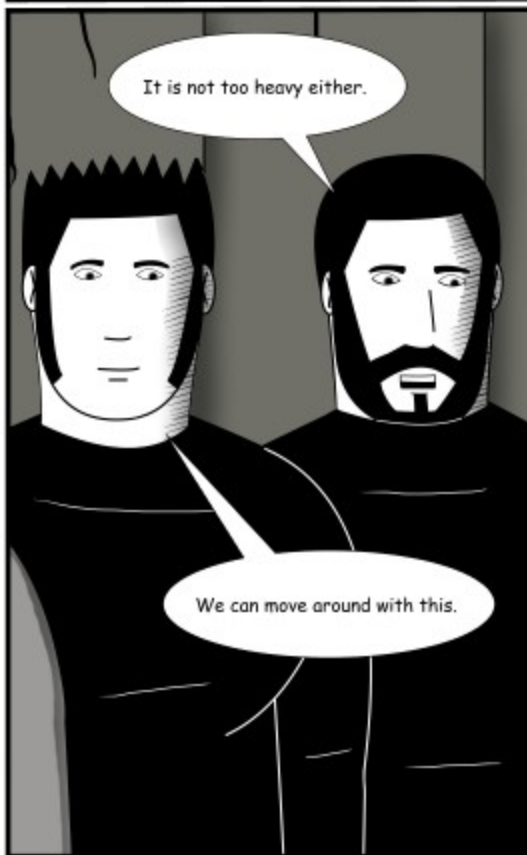

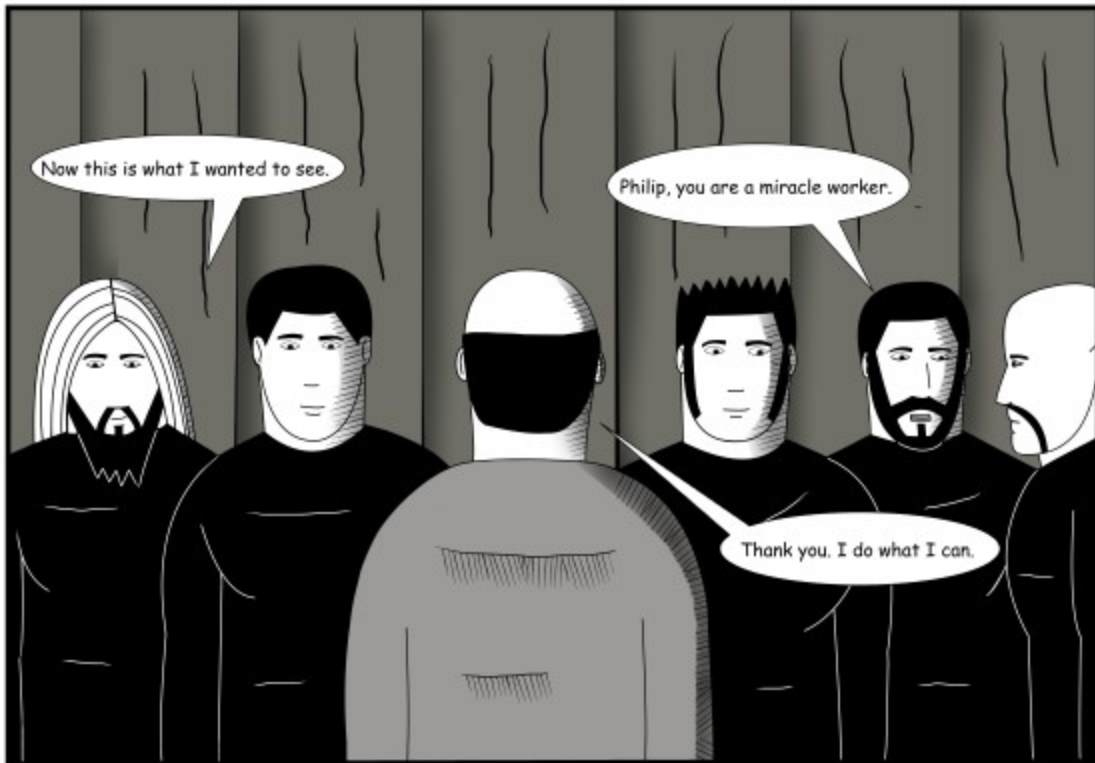

I was just making sure you were up for it.

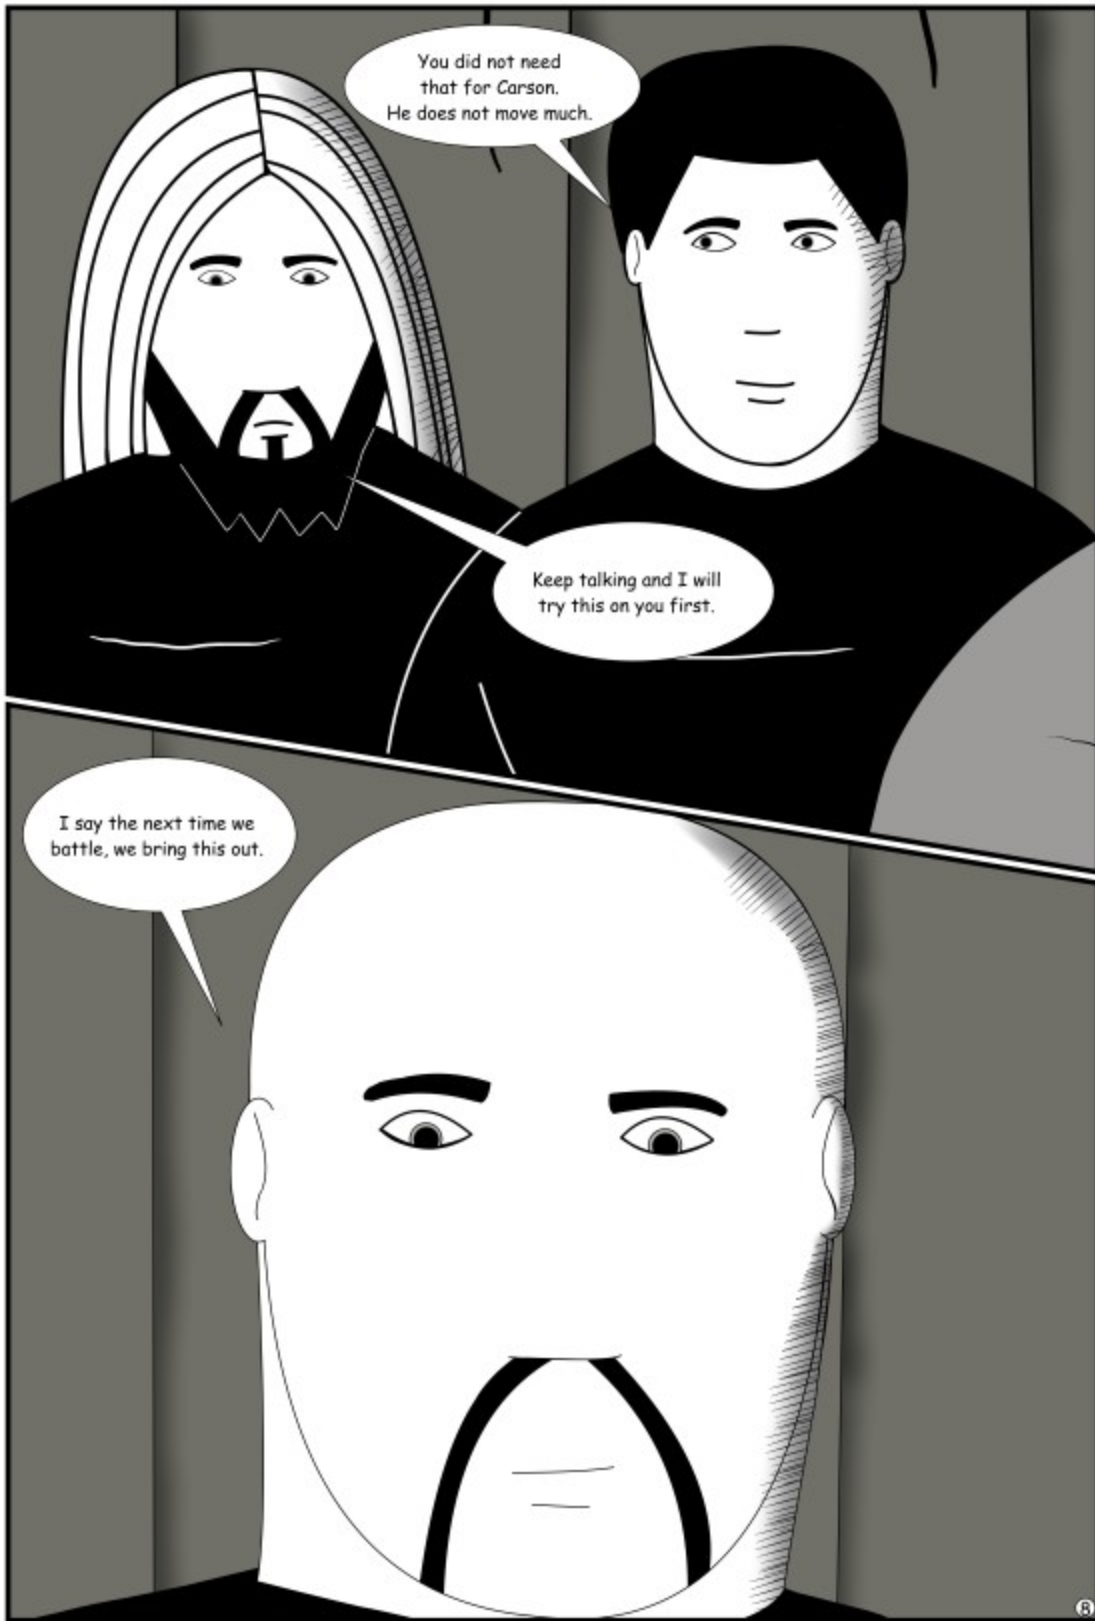

I know. Poor Lester.

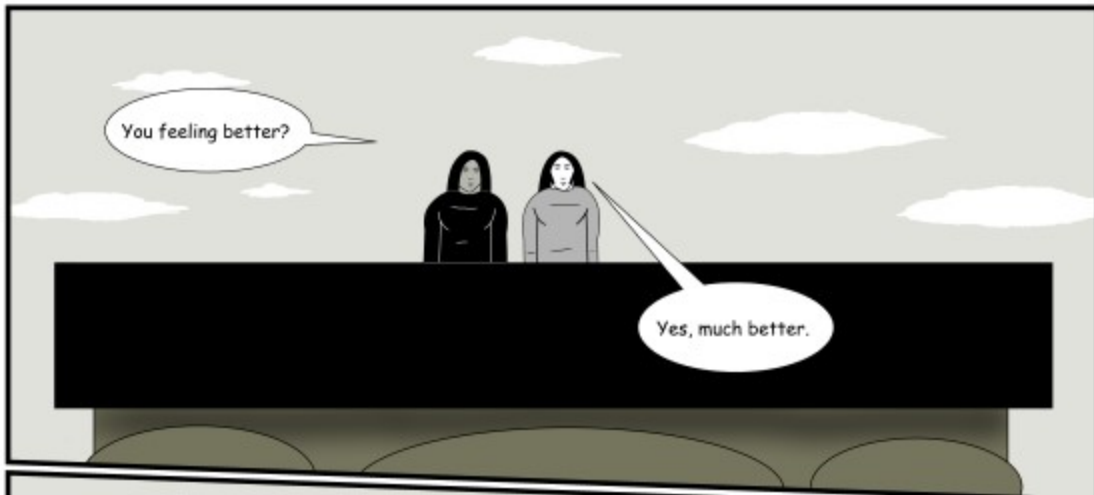

We will pay them back.

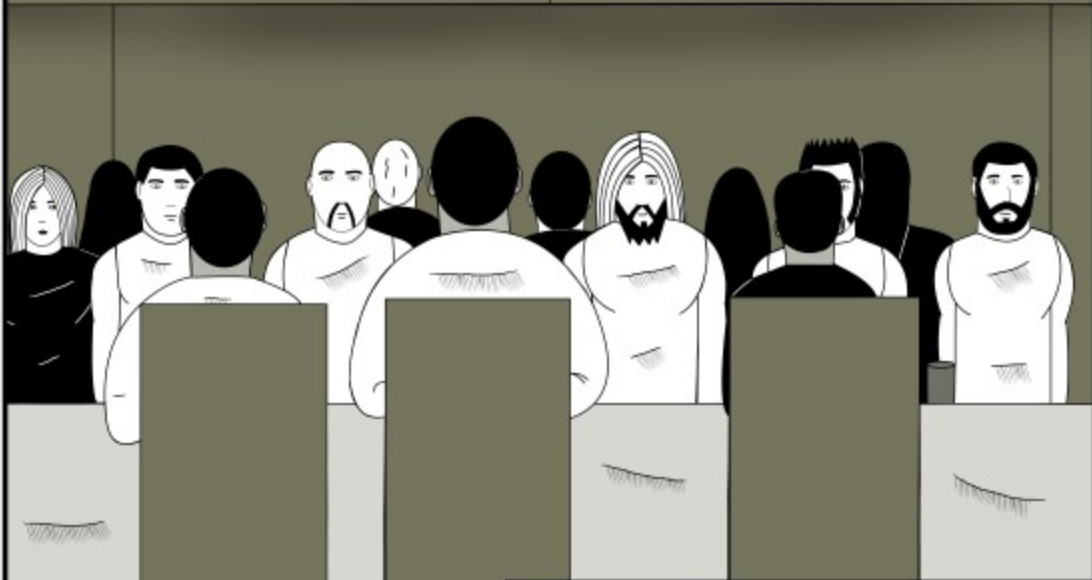

We had a beautiful home.
Plenty of water. No real battles.
We were happy with King Hiram.
He was tough but fair.

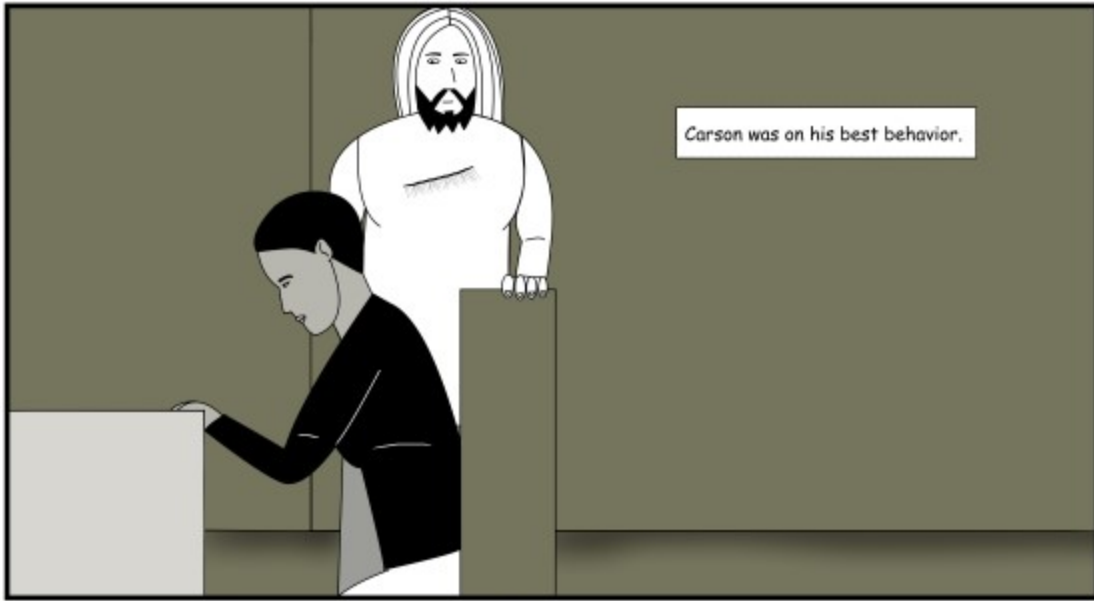

We were all a big happy family.
For the most part we got along.
The brothers and I would go hunting,
Lily and Alice would help Julia
and teach the children.

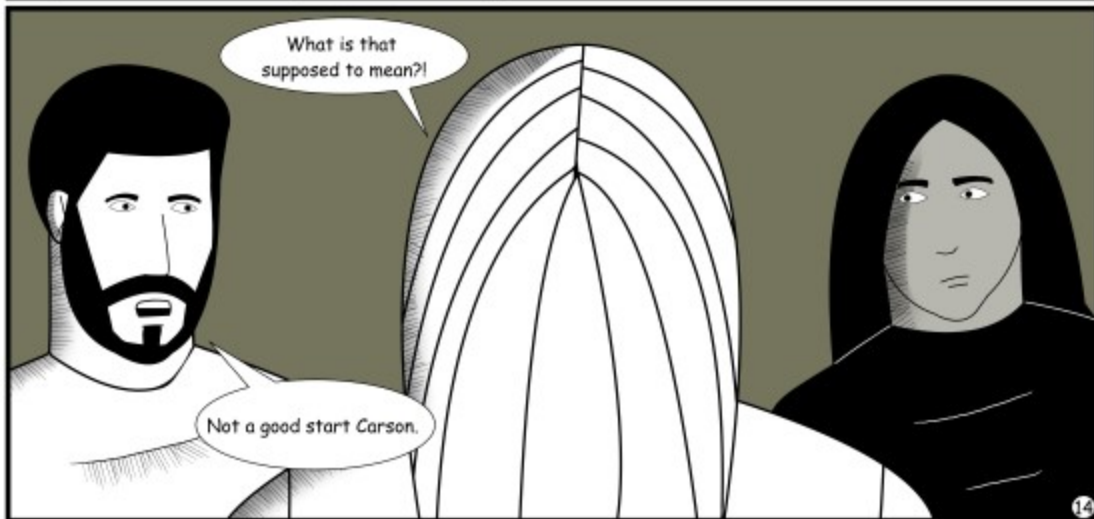

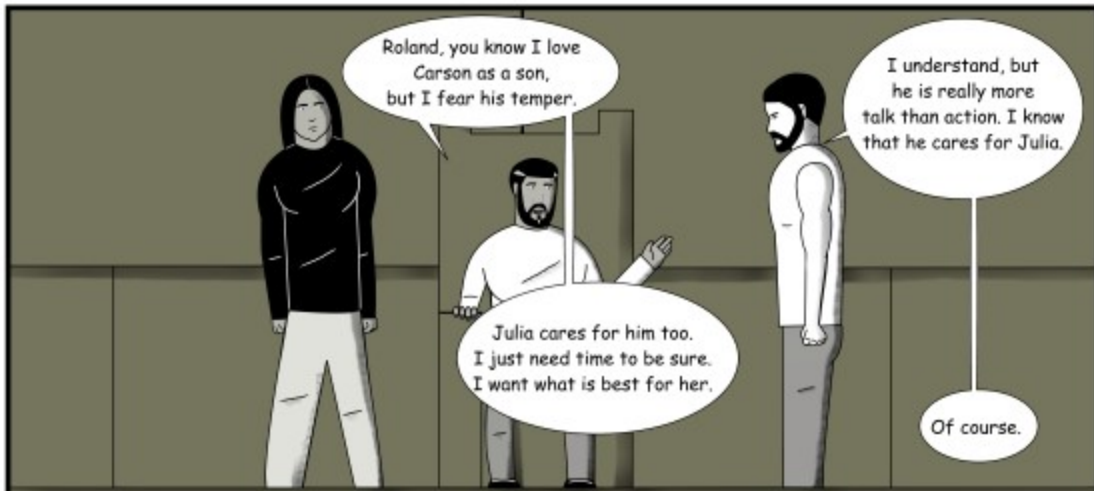

Julia was the daughter of Hiram,
so she was a princess.
Hiram was very protective of her.

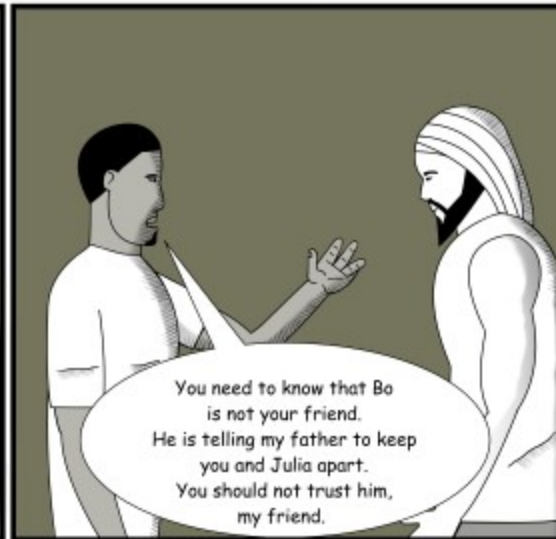

Carson was happy and things were going well with Julia.

Samuel, Julia's brother, did not like Carson. But Carson did not know Samuel hated him. Samuel was not much of a warrior.

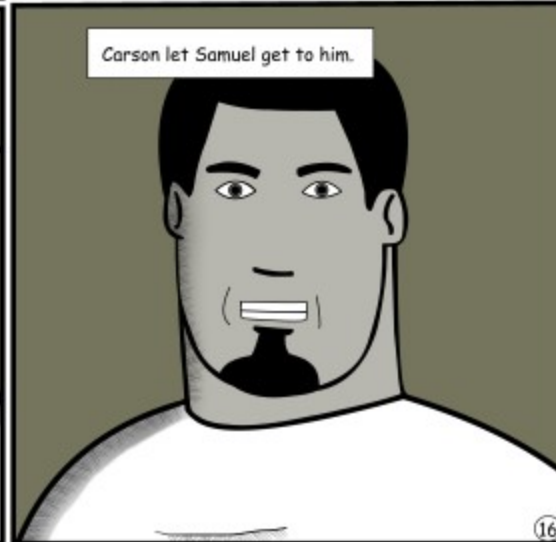

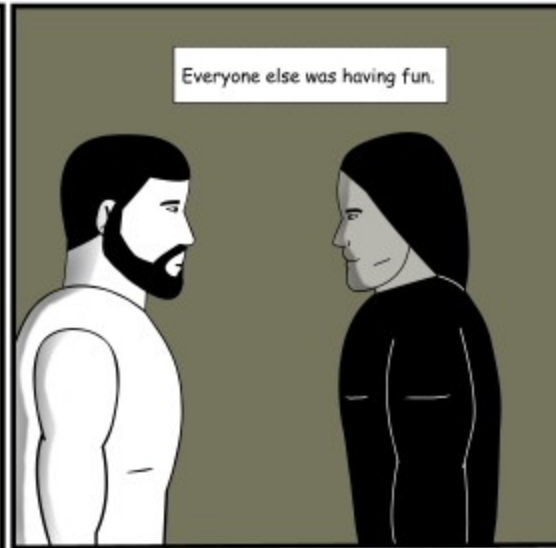

You need to know that Bo is not your friend. He is telling my father to keep you and Julia apart. You should not trust him, my friend.

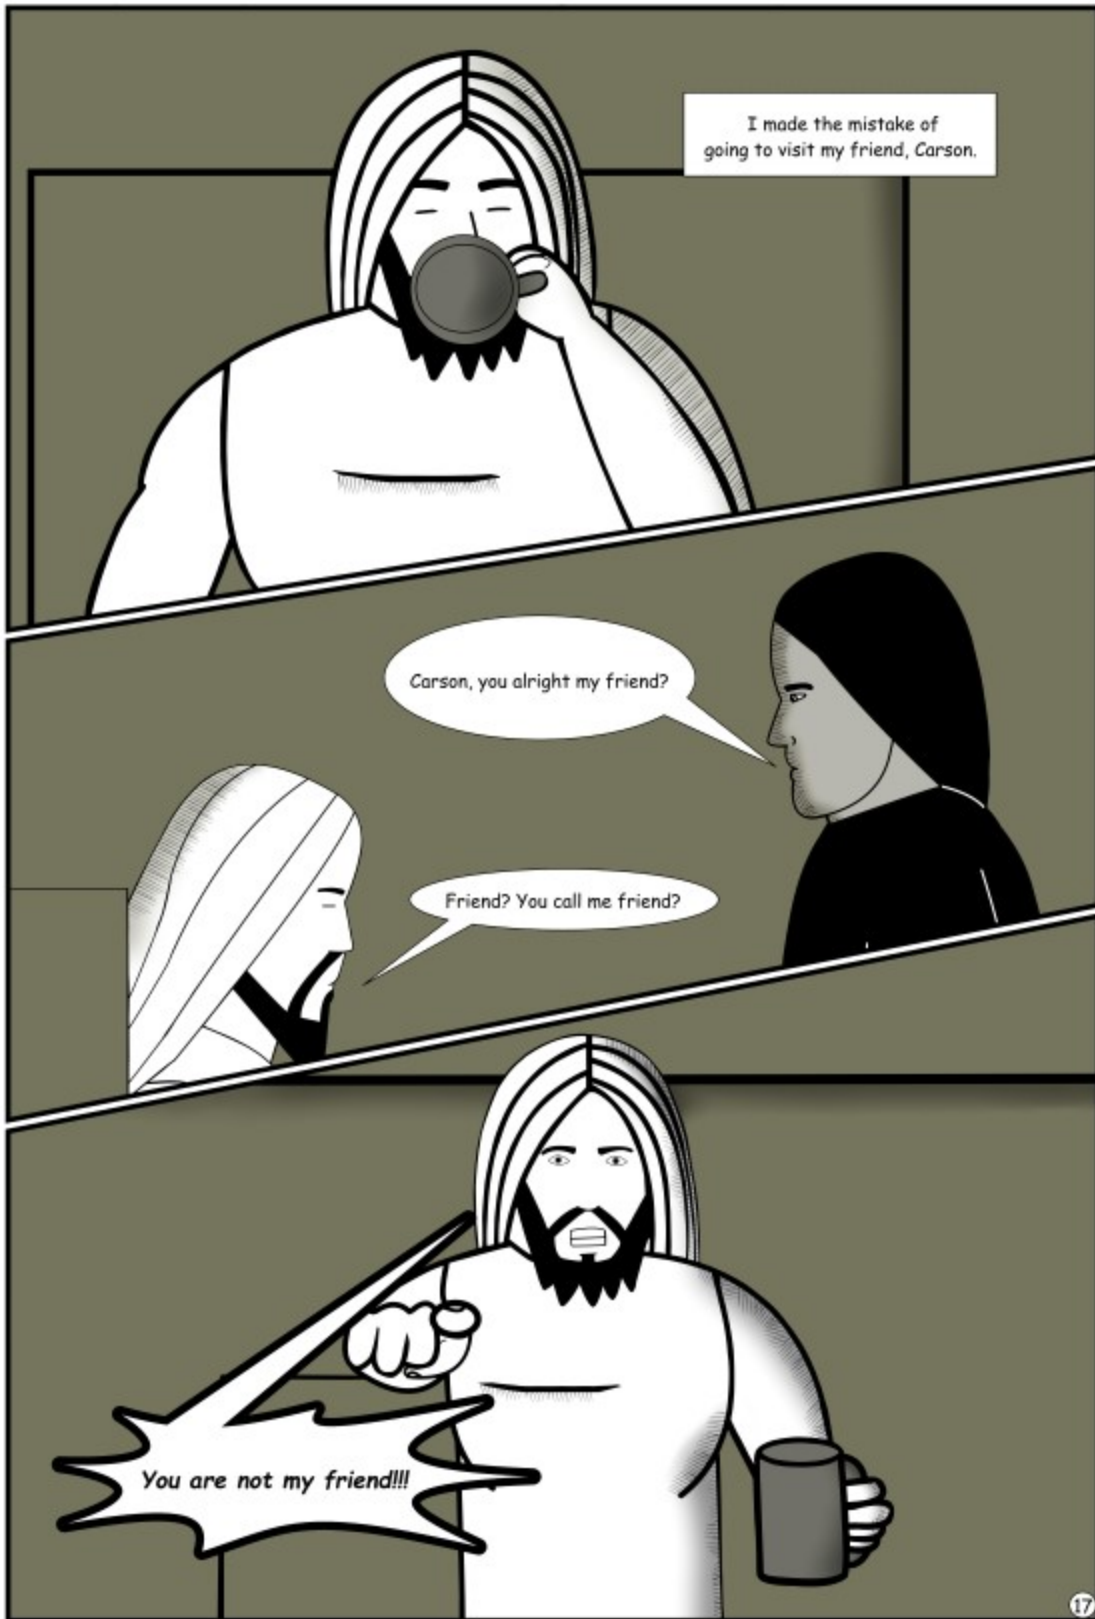

Bo is my friend. He would not do that to me.

Either believe me or do not. I just wanted you and Julia happy. Maybe I misunderstood Bo.

I made the mistake of going to visit my friend, Carson.

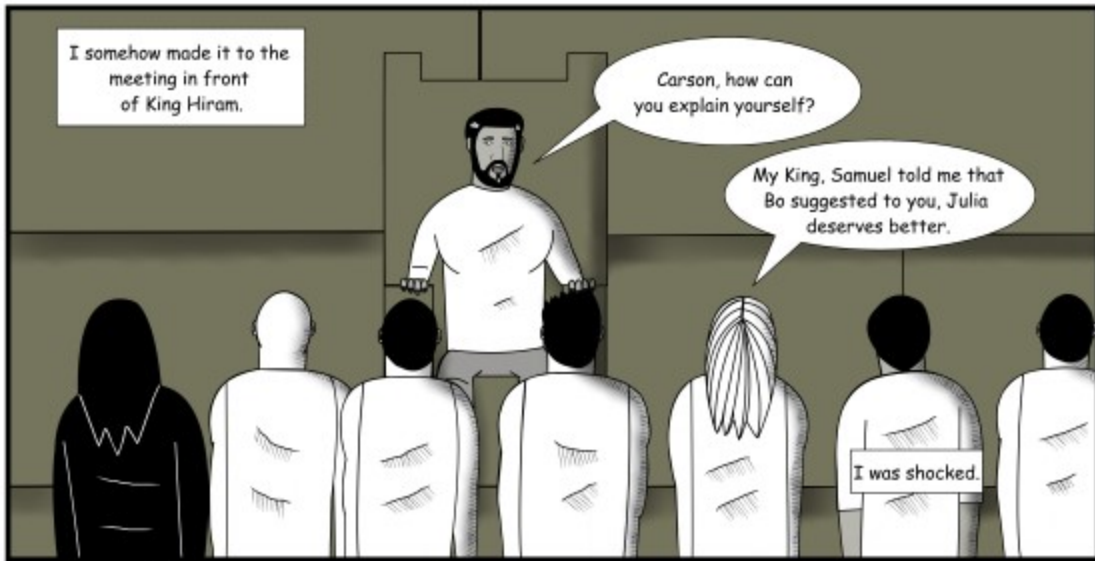

Carson, you alright my friend?

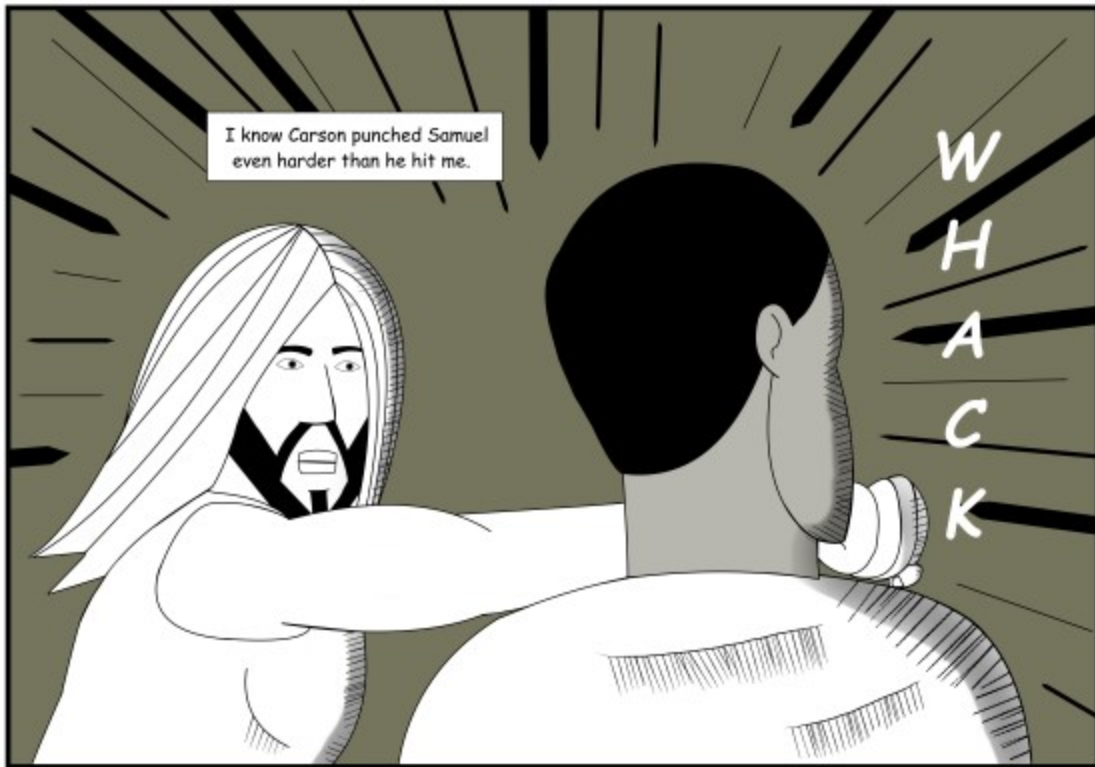

Friend? You call me friend?

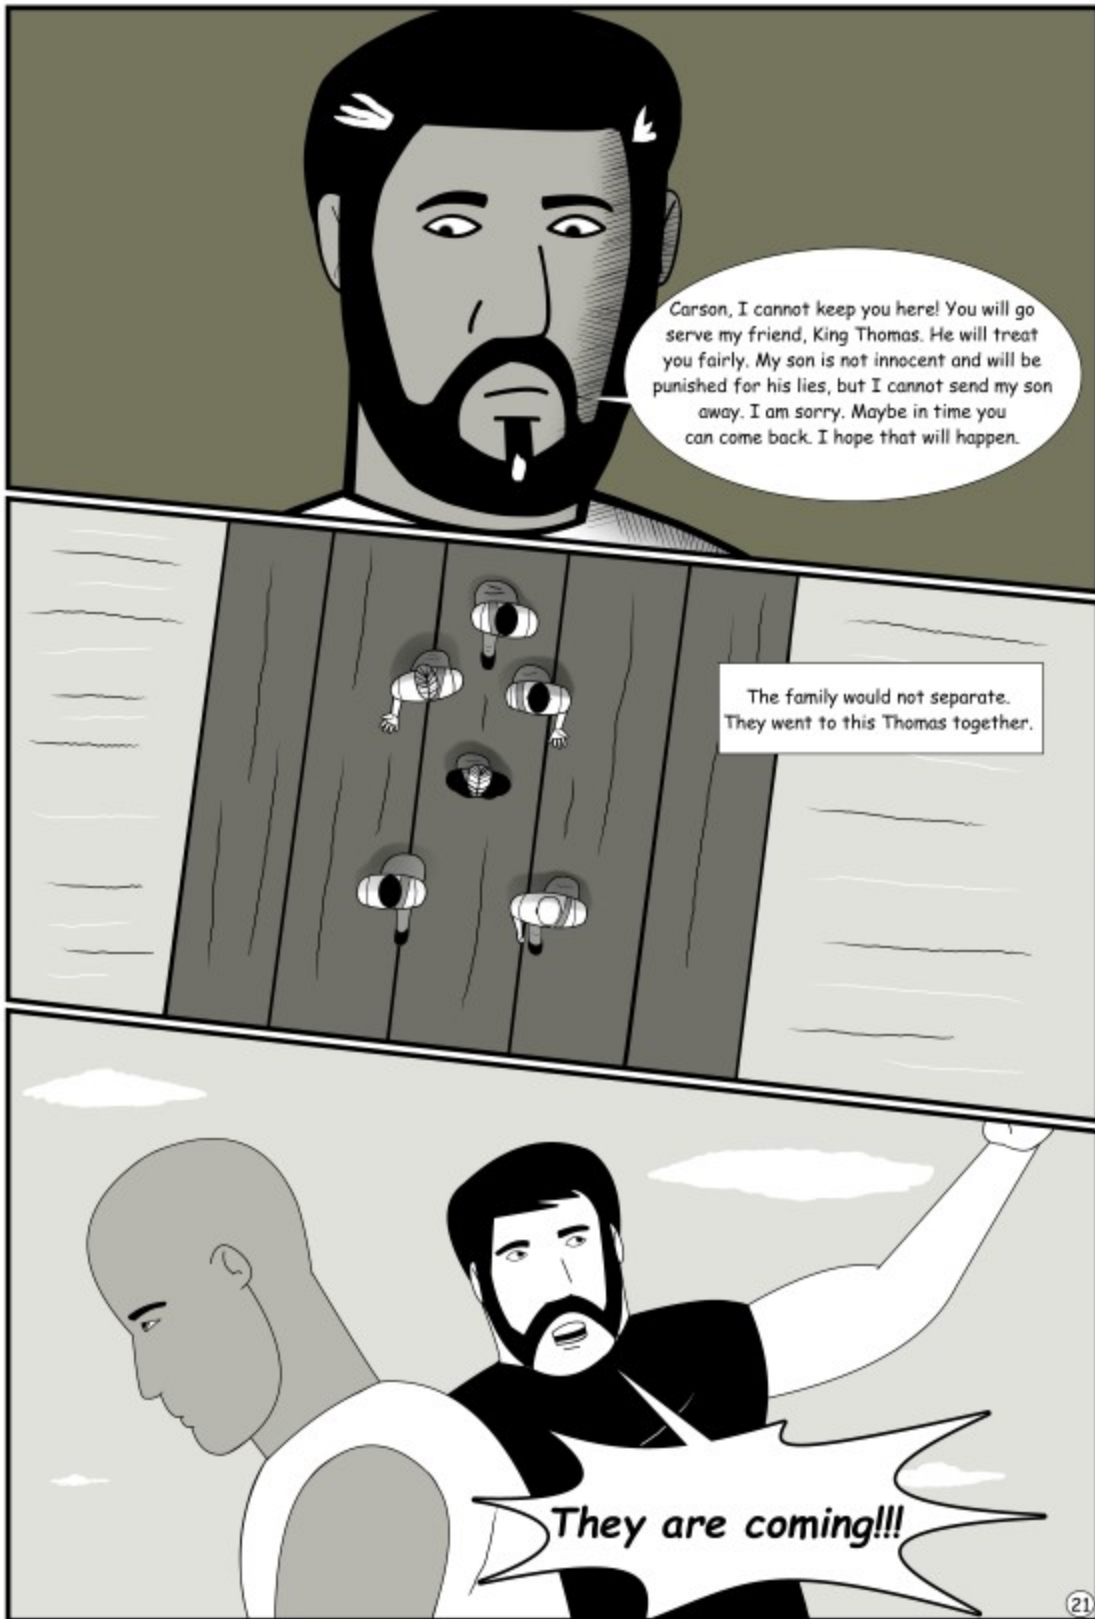

You are not my friend!!!

I do not think I have ever been punched so hard in my life, and my father was not a friendly man.

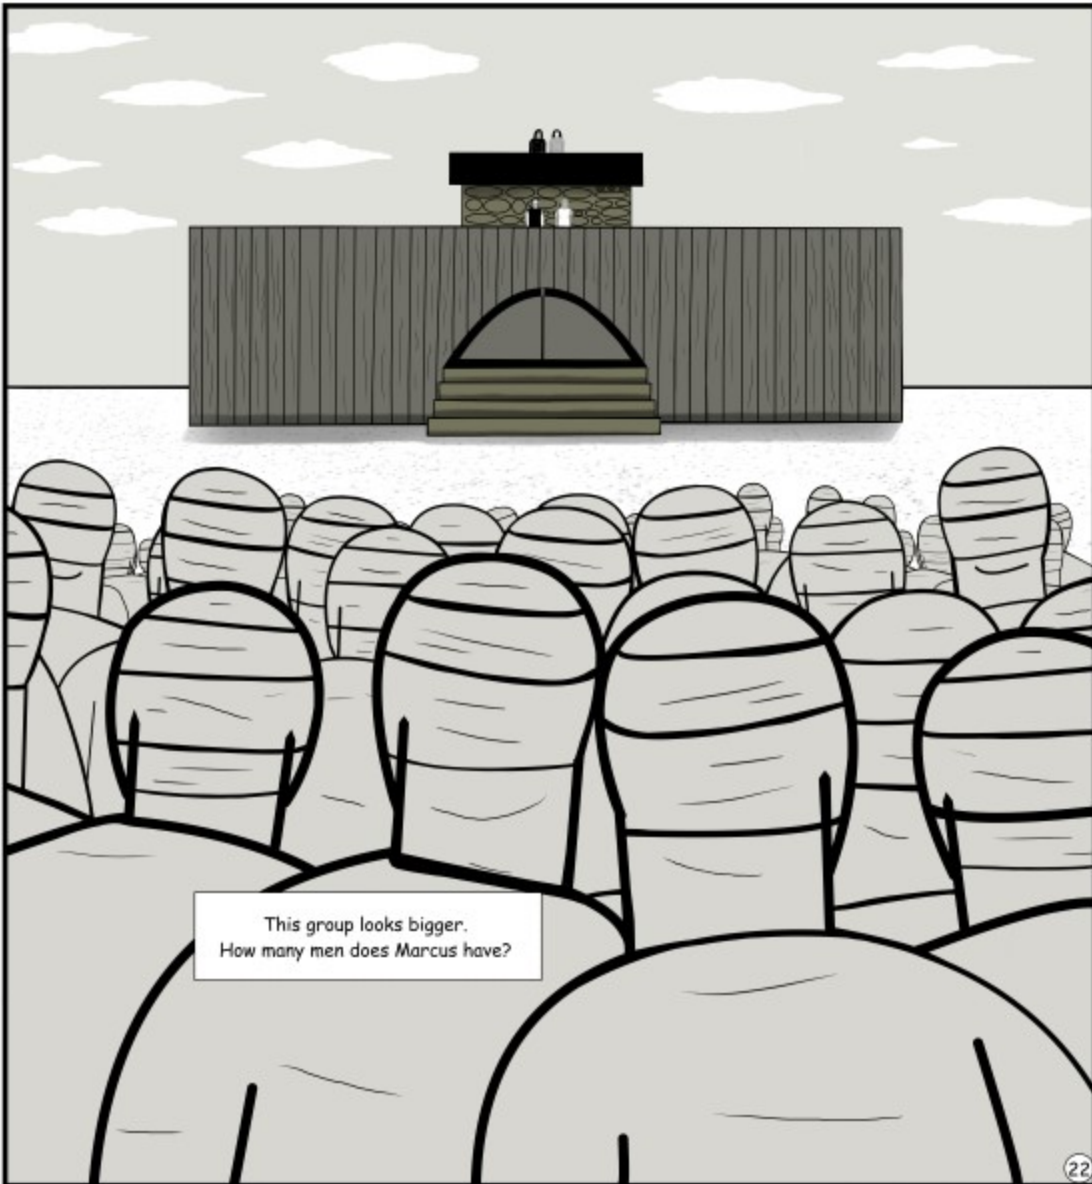

Carson, I cannot keep you here! You will go serve my friend, King Thomas. He will treat you fairly. My son is not innocent and will be punished for his lies, but I cannot send my son away. I am sorry. Maybe in time you can come back. I hope that will happen.

The family would not separate. They went to this Thomas together.

They are coming!!!
